Project Manager,
Trisuli Hydropower Project

Dear Sir/ Madam,

I would like to submit my application for the post of Design Engineer opening. Please accept this letter and the attached resume.

I have worked with Sinohydro Corporation Ltd for Upper Tamakoshi Hydropower Project at Lamabagar, Dolakha, Nepal where I performed duties related to Design works, Analysis, Cost Analysis of Reinforcement, Excavation, Formwork, Concrete and other construction materials, quantity analysis and preparation of As-built drawings according to site conditions.

I am currently employed with Tula Construction, where I am recognised for Design and Analysis works related to Civil Engineering Projects. I am relied upon for maintaining inventory levels, inspecting and monitoring work areas, and supervising and training project employees.

I would appreciate the opportunity to interview with you Sir/ Madam for the Design Engineer position. Please find enclosed my resume for your review.

I would prefer a salary of above NRs 60,000 and I am available with phone or email. I enthusiastically look forward to hearing from you soon. Thank you for your time and consideration.

Sincerely

Vishnu Lamichhane
